Image Release

Dear Families:

The Patchwork School participates in continuing professional and educational development activities in various ways, including, but not limited to, interpretation and analysis of the work of children and adults documented through recorded images, conversations, and collected artifacts; participation in projects focused on creating educational materials that are made available to educators, publishers, and others distributed via the Internet or through other means such as videotapes, CDs and DVDs; and continued promotion of The Patchwork School and its educational efforts (collectively, the "Activities"). The Patchwork School requests your permission to use, in accordance with the terms of the Release and Waiver below, your child's image, physical likeness and/or voice.

Release and Waiver

I expressly grant to The Patchwork School and its successors and assigns ("TPS") the right and permission to use, publish, copyright, license and assign any photograph, silhouette or other reproductions of my child's physical likeness or voice (collectively, the "Images"); to distribute the Materials (defined below) that might include the Images; to use the Images on TPS' website; to use the Images for any Activities; and to use the Images in TPS' promotional materials. The video clips, recordings, reproductions, photographs, or any other media containing the Images are sometimes referred to as the "Materials."

I understand that I may view at any reasonable time the Materials, and I understand that TPS has the sole right to inspect, approve or edit the Materials, or any descriptive or advertising material used in connection with them, and I agree that TPS has no liability to me, my child or any other person for distortion or illusionary effect resulting from the publication of the Materials.

I agree that the Materials are owned by TPS and that TPS may copyright, assign and/or license the Materials. If I should receive any print, negative or other copy of the Materials, I will not authorize its use by anyone else. I warrant and represent that this permission does not in any way conflict with any existing commitment on my part, with respect to the Materials or otherwise.

TPS warrants and represents that all use of the Images in the Materials will be without reference to the child's full name.

I release TPS and its officers, directors, employees and assigns from any and all damages, claims and judgments based on the use, transfer or sale of the Materials, including but not limited to, causes of action for libel, slander, misappropriation or invasion of the right to privacy.

By signing below, I acknowledge that I have read this document and understand and agree with its provisions. I hereby warrant and represent that I am the parent or guardian of _____, a minor, and have full authority to authorize this Release and Waiver.
