### Beautifing and Facility Committee

- Our next project is to get the kinder loft updated and ready for use again.

### Fundraising Committee

Our fundraising committee has been hard at work to help fund winterizing our classrooms. We have purchased carports and winter gear for each program!

Stay tuned for community fundraising dinners in 2022! In the meaning consider the following ways to support our school:

- Link to [Amazon Smile](#) (choose Patchworks, Inc just below the search bar or add us in the app)
- Link to [King Soopers](#)
- Link to [paypal](#) to donate for projects and teacher appreciation.

### Community Building Committee

The Patchworks Community Building Committee has been working hard to set up the 'support request form' for families within the Patchwork community who need a little help with various needs. Please check it out on our parent portal.

We're also working on bringing our community together thru playdates/gatherings and workshop. Therefore we need your help! Please fill out the Patchwork committee wide survey which will help us a lot with understanding the interests and needs regarding these subjects. We're looking forward to your response!

Meanwhile please don't hesitate to reach out with any questions to Hilda, Owen and Elliotts mom and Board Representative at [hilda@fastmail.com](mailto:hilda@fastmail.com)
